

The Glynde Community Swimming Pool

The Glynde Community Swimming Pool is for the relaxation and enjoyment of all members and it is important that everyone who uses it does so safely. The Terms and Conditions of membership have been drawn up to ensure that this is the case and whilst we do not wish to burden people it is REALLY important that members are aware of and understand these terms and abide by them. This is particularly the case given that there are no lifeguards or staff at the Glynde Community Swimming Pool, so members swim entirely at their own risk.

We detail below the terms and conditions on which Glynde & Beddingham Swimming Club (G&BSC) accept members who wish to use the Glynde Community Swimming Pool. We do not accept members on any other terms. These conditions do not affect your statutory rights. **Please take the time to carefully read these Terms and Conditions.**
